

Atypical Work Space

The Office for National Statistics (ONS) from 2020 highlighting that just 22% of autistic adults are in any kind of employment.

Our Mission

Our neurodiverse team receive training in the repair of IT and computer equipment for reuse or resale in our online **eBay charity shop** along with anything else that is donated for sale on behalf of the charity. This means that we can provide paid work experience opportunities for our beneficiaries. We pay the **Living Wage**.

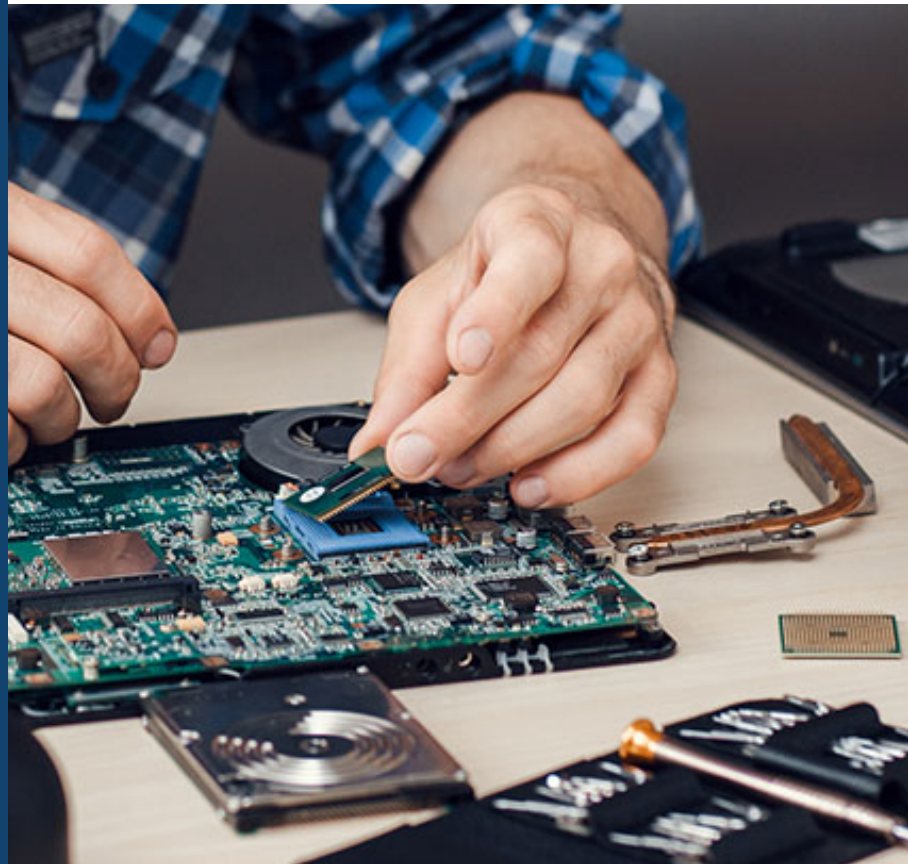

In this safe and supportive environment, appropriate adjustments are made, so that they are able to develop their practical, social and life skills enabling them to lead more independent and productive lives.
